

DATA DASHBOARD

Stanford
MEDICINE

REACH Lab

Here's What You Can Expect

01. Make Your Account: Sign up at the URL or QR code below and get your unique teacher or administrator code.

02. Administer the Pre-survey to Your Students: Students can use the URL/QR codes embedded in the first and last lessons of each curriculum.

03. Deliver the Curriculum: Do what you do best!

04. Administer the Post-survey to Your Students: Refer to the URL/QR codes in the lessons again.

05. See the Responses and Preview the Data: You'll be able to see the data by class and school right from your teacher dashboard!

Tips / FAQ:

- Your teacher code is unique to you!
- If you work at more than one school site, your code stays the same.
- The pre- and post- surveys for the student are anonymous.
- Student responses load into your dashboard instantly for immediate feedback.
- The data dashboard will simplify data collection for evaluation AND reporting.
